This is my favourite Lake! In summer it's perfect to refresh and to walk by. It's also very nice in spring, like here and in winter and autumn. In the background we can see the Alps, a wonderful view!

The Red Church, Neuchâtel, Switzerland

This is the town where I live. The church is quite representative of my town but I've almost never been there, whereas I've always lived in Neuchâtel. This is the town where I was born so I love it and its lake is wonderful!
