Dear Emma,

You said once: "I just hope that people look past the hype and see me."

I think all your fans esteem you for what you are, and not for the dress you are wearing on the red carpet or what they see on the screen.

I have a notebook where I write all the things you have said which inspire me and could help me in life (and it works). You are a clever, beautiful, bright, wonderful, inspiring person. There is no word enough to say to you how much you are important in my life.

Anyway, I want to wish you a MERRY CHRISTMAS! I hope you will enjoy the holidays, I love you.
xx

Hey Emma!

Merry Christmas! Happy New Year! Wanted to say thank you for being an incredible role model for my students - they see how you attend school and are getting a degree while acting - I always tell them - "see even Emma Watson (Hermione Granger) loves school" :) Also, never had a chance to say this but thank you to you and Rupert for bringing to life such a beautiful relationship in Ron/Hermione - a chemistry like yours and his was very rare! :)

Good luck with all of your future projects to which I look forward to very much seeing!!! May you always continue to be blessed with everything in life Emma :)

Hugs!

I really respect you because you are good at both acting and studying. I think you are so pretty! I want to meet you at least once in my life. When will you visit Korea? I SEE YOU

DEAR EMMA

Hi Emma,

I wish you a peaceful and joyous holiday season. Likewise, I wish you, for the next year, a lot of success and power.

May your wishes come true.

Sincerely yours
Ulrike, Germany

I appreciate how real you are. You dress and act like a normal person, you also keep your private life private. I appreciate that you are about the art of acting and movie making and not just the glam of fame. I appreciate that you went to college and that you value education, modesty, health, and kindness. Thank you very much for being one of the only "celebrities" I follow because your arguments about literature and people are so interesting to hear. Merry Christmas!

-a young fan Kendra :)

HI EMMA,

Dear Emma:
Christmas is my favorite holiday because it's a time we send our wishes to people and spread love to our beloved ones. Warm, blessing, and touching, Christmas is somehow we create a better world.

Although it's less than a month for me to take the college entrance exam in Taiwan, I still don't want to miss any chance to send you a Christmas message. I like to imagine the emotions that appear on your face when you read my message. By this way, I feel that we're so close XD

You've always been my idol! I often write about you in my essay, and I always get high scores. I read every article about you and the ways you manage your life and how you go through the obstacles in life are really inspiring XDDD

There is a whole wall of you in my room!!! Your fashion style is soooooo adorable <3 I've always dream of meeting you in person one day. I'm sure that it will be one of the best moments in my lifetime!!!!!!

Emma ! You are my favourite actress because you are always out of the infamous tabloids fights, still did well in school (which sounds a bit of a silly thing to think is awesome but you must have been pretty busy shooting, so juggling that is really impressive and inspiring) i adore you for being respectable but also young and for being so BLOODY SWEET AND INTELLIGANT. Obviously i have never met you. Which is sad but i would most definetly unwaveringly probably get shy in person soooo it wouldn't be that great. Thank you so much for being such a beautiful role model (inner and outer beauty or inner beauty making you more than merely genetically beautiful) xoxoxoxoxoxoxox have a beautiful christmas!! lots of love please keep being fockin fantastic!!!

Merry Christmas Emma!!!

It's that time of year again so here's another Christmas project to add to the collection. :). It's been a big 2013 for you, and 2014 looks like it will be busy as well. Hopefully you are able to finish up university next year so that you have one less thing to worry about.

I know that interviewer made you cry earlier this year about Santa, but I assure you he's not only real, but uses his twitter himself. He's heard about it and he's going to give that guy a huge lump of coal for trying to break your heart. :p

Anyway I hope you and your family have a Merry Christmas and a Happy New Year.
